

Subject line: Why does it still take weeks instead of one day?

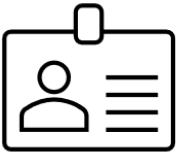

Instead of doing in one day, why, it still takes weeks to launch new products, new schemes, ongoing sales & new prices in your stores across India?

Are you happy with the Snail's Pace of your New Launches?

You might have hundreds of stores across India, but every time you need to print posters, standees and get them shipped across your stores to launch new things. **This causes substantial loss of opportunities & business – Now no longer waits!**

Presenting Business Octane's Digital A frames marketer's digital blank canvass, available in 32", 43" & 55" sizes. These displays come with built-in content management & content scheduling and optional content creation & 5 Yrs warranty.

				
Built - in Wi-Fi	Optional Content Creation	5 Yrs Warranty	Remote Diagnostics	Remote Content Upload

Key Benefits of these Magical Digital Signages are as:

Instant Message change Seen by everyone	Depth of message Understandable by your employee	Update your offers in a few minutes	Create dynamic & creative messages	Build a strong corporate culture
1	2	3	4	5

They give you one single point of control regarding all marketing communication across all your stores in India or worldwide. Also, they can be updated in all your stores on demand in a few minutes.

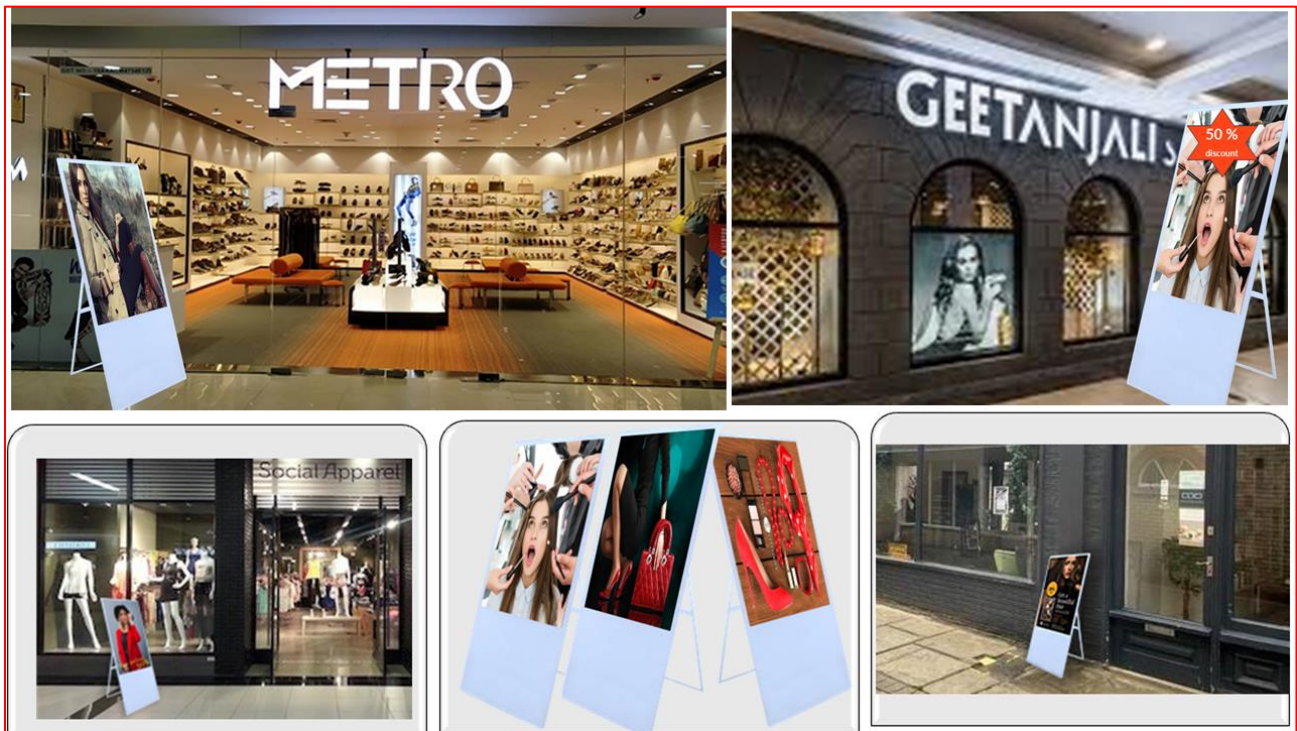

Now no More Hassle of Printing of Paper Posters every time. 0

Instead use Digital A Frames for all your marketing communications.

Now, you will be able to launch new products, prices, sales, and new schemes instantaneously remotely on demand any time and do effective marketing communication across all your stores in India or worldwide.

A-frame is apt for Retail, Hospitality, BFSI, Automotive, Healthcare, Education, Transportation and Corporate Sectors.

With built in own wi fi network, built in digital signage media player, which are ready to show your new offers, schemes & prices on demand any time.
