

**Subject: Get magical boardrooms!**

**Don't add a little, but a whole lot of magic to your existing boardroom!**

*Figure 1 Normal Boardroom Experience where VC participants are seen stamp like when content is shared.*

When your management teams meet like this, they can hardly see far participants or participants can hardly see who is speaking from the boardroom decreasing the quality of collaboration for such important meetings. Poor audio, Poor content readability & poor lighting further decreases the

**Let's add real magic to your boardroom!**

*Figure 2 – Magical Gallery View, Active speaker & Content on 3 separate displays*

#1 Instead of seeing the VC participants stamp like one display, add the magic of seeing the gallery view, active speaker, and content on separate displays.

#2 Add the magic of seeing the active participant **separately from the gallery view of all VC participants.**

#3 Add the magic of tracking your speakers **automatically, instantly, and reliably** that was never possible before!

#4 Add the magic of high-quality audio with amazing clarity & Intelligibility in **your board meetings!**

**Seeing is believing!**

**Hearing is believing!**
