

Dear Sir,

Greetings from Business Octane!

Subject: Move your management from economy to first class at the price of economy!

Move your management teams from Economy to First Class Video Meeting Experience at the price of economy for their Reviews & Town Halls!

Do you want your senior management to suffer while conducting reviews & town halls when so much is riding on their Interactions with their worldwide teams?

Figure 1 - Pleasure of VC experience where they can see Gallery view, Active Speaker life like & Content on 3 separate displays.

Don't let them suffer because of their travelling economy as far as VC experience is concerned. Instead empower them to interact with worldwide teams as if they are all sitting face to face on cloud video conferencing that also at the price of economy!

Available Options:

1. Cabin room solution!

2. Small meeting room solution!

Figure 2 - Seeing the split gallery view on two side displays, active speaker in the center & content on table displays.

3. Medium Size meeting room solution!

Figure 3 : Seeing the split gallery view on side displays, active speaker on center stage and content on table displays and upper display!

4. Large Size meeting room solution!

Figure 4 Seeing the split gallery view of VC participants on 2 side displays, active speaker on the center screen and content on the table displays & upper display!

They get to see all the participants divided on left & right monitors with active speaker in the center and content on their table on which they can annotate & do whiteboarding and all while having the best eye contact. **This kind of experience was never possible before!**

Don't delay and move your management from Economy to First class video meeting experience now!

Seeing is believing!

Hearing is believing!
