

## Dramatically Improve effectiveness of Hybrid Learning!

10X Better Hybrid Learning

### Get 10 X better Hybrid Learning

- a) The trainer can see 90 remote trainees with readable names.
- b) Your Trainees can join from their desk or from any conference room / training room.
- c) The trainee who asks questions comes to Lifesize automatically.

- d) Trainees also get to see the complete room, trainer and all the trainees to feel the energy!
- e) Electronic interactive whiteboarding from podium with the trainee's ordinary whiteboard & green whiteboard explanation.
- f) Sharing of physical documents
- g) Trainer is automatically in focus when he/ she moves to explain.

## Seeing is believing!
