

Would you want your chairman to do VC like U.S. President ?

The World's Best
On-Desk VC System

A photograph of Joe Biden sitting at a desk in a formal office setting, engaged in a video conference on a large monitor. The monitor displays a grid of participants, including one with a flag in the background.

U.S. President
is using
World's Best
On-Desk VC
System

A circular logo with a yellow-to-orange gradient border. Inside is a black square with rounded corners, containing the letters 'AI' in a green-to-yellow gradient.

3 CAMERAS
AI DRIVEN VIDEO & AUDIO

1. Transform your Chairman & Senior Management' personal workspace into a powerful all-in-one video meeting & collaboration command center like the U.S. President Biden.
2. Business Octane Presents a magical collaboration device which will enhance the productivity of your Chairman and Senior management team multifold.
3. Use it as a stand-alone device for high quality Video Conferencing or use it as an extended monitor as well as a fully capable all-in-one device for Video Conferencing!

Smart Connect - Easily attach the device to any PC or Mac instantly. Also, access microphone array, integrated cameras, multi-touch screen and speakers.

Key Features

- A. 3 smart array Cameras for 160 Degree angle of view to show your big boss and his/her visitors life - like for the first time.
- B. Very high quality built-in 8 microphones for up to 8 feet android pick up.
- C. High quality stereo speakers with Audio AI for background sound reduction
- D. 27" multi - touch Display.

An Exceptional Meeting Experience - The 27" display lets you see everyone at the meeting so you can "read the room", interpret visual cues, and feel the energy of your guests.

Uplevel the Daily Video Meeting Workflow - Combine professional communication and collaboration technology with Zoom's enterprise-quality software to deliver the ideal solution for the daily video meeting workflow.

Seeing is believing!
