

Subject line: - Why not transform & simplify your VCs dramatically?

Transform your enterprise-wide video meetings from Huddle Rooms to Board rooms with DTEN Solutions!

WORLD'S MOST FLEXIBLE VC SYSTEM

Business Octane presents world's best and most Flexible DTEN VC System that can be used from 4 PAX Huddle rooms – 24PAX Boardrooms. This bar can be used horizontally above & below a single display and can be mounted in the wall between two displays vertically for perfect eye contact. Use it with four additional one of its kind UVE Pro cameras for perfect eye contact too. Also, add DTEN Mate room controller for convenient control & management!

Use it in Huddle Rooms as well as in Boardrooms

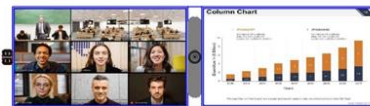

2 x 43" DISPLAY
(4-6 PAX)

2 x 49" DISPLAY
(7-10 PAX)

2 x 55" DISPLAY
(10-12 PAX)

2 x 65" DISPLAY
(13-14 PAX)

2 x 75" DISPLAY
(16-18 PAX)

2 x 84" DISPLAY
(20 - 24 PAX)

Key Features:

1. Boost meeting equity for all team members, no matter where they are. It provides eye to eye conversation for more natural video meetings.
2. It uses a professional 4K camera system with automatic privacy shutter to capture in-room participants *at eye level while the innovative 5-camera design produces same-room meeting experiences for both in-room participants and remote team members.*
3. The only vertically mountable camera bar system that removes birds' eye view completely.
4. Premium 12-microphones array and 2X 15W stereo with AI-assisted beamforming and noise cancellation for best audio up to 18 PAX. For large rooms a professional audio system is integrated.
5. Available both in android & USB options while being optimized for Zoom Smart Gallery & Teams.
6. DTEN Mate - one of its kind touch panel which is amazingly easy to use,
7. Built-in BYOD and content sharing with one single USB – C Cable **that also charges your laptop.**

Seeing is believing!
